Published by Graham & Whiteside Ltd., the Major Companies directories provide detailed information on the leading businesses worldwide. Major Financial Institutions of the World covers thousands of major international companies active in the global financial market, including banks and loaning institutions; investment businesses; and insurance and leasing companies.

Each annual edition of Major Financial Institutions of the World profiles more than 10,000 businesses. Multiple editions are available by standing order, ensuring access to the most up-to-date information as well as historical data. Entries typically include: full company name; address, phone and fax numbers; e-mail and Web addresses (when available); names of management and board members; description of the company’s activities; parents, subsidiaries and agents; brands and trademarks; number of employees; financial information for the previous two years; principal shareholders; and more. Also included are the contact names of more than 91,320 senior executives.

Real-world users might include:

- Business analysts can quickly locate detailed information on companies working in the global financial market, focused on specific geographic locations around the world.
- Job seekers can cross-search with other Major Companies directories to easily create contact and mailing lists to explore international opportunities.
- Business professionals can quickly access up-to-date data for competing or complementary institutions, including detailed financial information.
- And many others.
