Premier portals support 21st century learning

Gale In Context is the result of user input and a study of research processes. Our findings revealed that students prefer resources that combine web-like functionality with high-quality information. To help students streamline their efforts and identify the most relevant content, we created eye-catching, engaging portals that seamlessly integrate authoritative reference from Gale and its partners with media-rich, curriculum-aligned content that spans core subjects and 21st century themes.

Gale In Context resources:
- Engage and motivate students with a web-like experience that promotes information discovery
- Facilitate collaboration between media specialists and teachers in fostering 21st century skills like critical thinking and information literacy
- Include tools to support differentiated learning and diverse student populations
- Deliver helpful topic pages and enhanced search results to streamline the research process

Technology enhances the learning experience

Gale In Context knowledge portals deliver authoritative content complemented by intuitive features:
- Content organized by type (reference, news, primary sources, multimedia and more) supports all levels of learners
- Factboxes provide a quick overview of biographical highlights
- Related Topics and weblinks aid discovery of other relevant content
- On-demand text translation into 9 languages accommodates diverse student populations
- ReadSpeaker text-to-speech technology supports differentiated learning and those with impaired vision
- MLA7 and APA6 citation tools facilitate understanding of proper use of copyright materials
- Search Assist (with “Did You Mean?” functionality) efficiently guides users
- Tools to bookmark, print, download, email and share online encourage collaboration
- Topic Overviews give accurate context to each subject
