## Focus on Canada

Content in *Student Resource Centre: Canadian Edition* was selected and written by Canadians and based on curriculum standards in all major subject areas — history, science, literature, geography, cultures and more. When completing homework and school projects, students can:

- Specify “Canadian Content Only” or widen their search to include all acclaimed Gale reference series trusted worldwide
- Find home-page links to popular Canadian topics, including First Nations, Federal Provincial Relations and the Free Trade Agreement
- Retrieve in-depth information on notable figures from author Margaret Atwood to MP Gilles Duceppe
- Discover resources correlated with Canadian provincial curriculum standards and appropriate to school projects in geography and culture, literature, science and health, biographies
- Download podcasts from the CBC
- Read essays and overviews about Canadian cities, people and topics such as Charlottetown, Fredericton, The Group of Seven, Halifax, Iqaluit, The October Crisis of 1970, Quebec City, Whitehorse, Winnipeg and Yellowknife

## Sophisticated functions

Built on the acclaimed *Gale PowerSearch* platform, *Student Resource Centre: Canadian Edition* empowers users to:

- Mark, download, e-mail or print documents
- Perform a Google Image Search to gain access to more than 880 million indexed images (configurable)
- Translate documents into French or 10 other languages
- Listen to articles with ReadSpeaker technology — ideal for language learners and the visually impaired
- Create individual account profiles — save any search and receive search alerts when new content is available
- And more
