Premier portals support 21st century learning

Gale In Context is the result of user input and a study of research processes. Our findings revealed that students prefer resources that combine web-like functionality with high-quality information. To help students streamline their efforts and identify the most relevant content, we created eye-catching, engaging portals that seamlessly integrate authoritative reference from Gale and its partners with media-rich, curriculum-aligned content that spans core subjects and 21st century themes.

Gale In Context resources:
- Engage and motivate students with a web-like experience that promotes information discovery
- Facilitate collaboration between media specialists and teachers in fostering 21st century skills like critical thinking and information literacy
- Include tools to support differentiated learning and diverse student populations
- Deliver helpful topic pages and enhanced search results to streamline the research process
