

# Junior Reference Collection

## NEW PLATFORM EXPANDS SEARCH CAPABILITIES

Aimed at middle school and high school students, *Junior Reference Collection* has all of the award-winning resources that you've come to expect from Gale®, including content based on national curriculum standards in major subject areas such as history, literature, science and social studies. It also comes with the ability to quickly and easily find relevant search results across all Gale online products — in one seamless search — with *Gale PowerSearch™*.

## POWERFUL CONTENT LEADS TO THOROUGH RESEARCH

Students are able to access a variety of resources that will help them conduct research, complete assignments, create presentations and more, with content and curriculum-focused tools that include:

- Hundreds of primary documents
- Multimedia content that includes video and audio clips and thousands of flags, maps, seals and photographs
- Thousands of topic overviews, biographies, plot summaries and pieces of literary criticism

- Content level recommendations (Basic, Intermediate and Advanced) to help readers choose appropriate content for their abilities
- Research Tools and a Research Guide that tie information literacy skills to use of the database

## EASY-TO-USE NEW INTERFACE AND GREAT NEW FEATURES

New to *Junior Reference Collection* are robust features specifically targeted to students and educators, including:

- A new user-friendly interface that captures student interest and provides a consistent user experience across Gale K-12 resources
- A national and state curriculum standards search, correlated to the content, that allows educators to quickly identify material by grade and discipline
- Curriculum topic trees on *Junior Reference Collection's* home page that feature one-click access to the hottest, most-searched topics in each major curriculum area
- "Keyword in context" within results list that allows students to easily determine relevance of each search result

▲ Junior Reference Collection has an easy-to-use interface.

▲ Results lists help students find just the information they need.
